Entrepreneurial Development

Our Entrepreneurial Development programs inspire the next generation of entrepreneurs through hands-on experiences. We offer a variety of events and activities, including a **statewide collegiate business plan and pitch competition**, that allow students to apply their classroom learning in real-world settings.

Entrepreneur's Cup

The **Entrepreneur's Cup** challenges students to think like entrepreneurs as they build a team, identify a product, conduct market research, develop financial projections, write a business plan, and pitch their venture to potential investors.

By the Numbers

- 2,800+ college students have participated over the past 20 years
- \$2.6M awarded in cash, scholarships, and fellowships
- 870+ innovative ideas from 30 campuses statewide
- 30+ business plans have evolved into scalable companies and i2E clients

The Entrepreneur Workshop

This **virtual workshop** is open to college-level entrepreneurs, students, and faculty. It covers:

- The key elements of a successful business plan
- How to develop strong financial documents
- Tips for delivering a compelling investor pitch

The workshop serves as the **official kickoff** for the Entrepreneur's Cup, equipping students with the tools and knowledge to compete at their best.

E3 Evaluates opportunities, Equips entrepreneurs with the tools they need to launch and Empowers them to create high growth companies.

This six-week intensive explores the product/market fit for new business concepts and helps existing businesses scale and find new customers.

GOVERNANCE

Board of Directors Charter of Governance: Sets and ensures fidelity to i2E's mission. Reviews and approves organizational strategy, goals, plans, and budgets. In addition, the board is charged with establishing policies, approving major engagements in public policy, and ensuring that management systems are in place for compliance.

Executive Committee Charter: The function of the Executive Committee is to exercise powers of the Board of Directors on matters which arise between regularly scheduled Board meetings or when it is not practical or feasible for the Board to meet. This Committee also reviews and monitors all compensation, benefit and human resource policy matters, plus monitors and evaluates the performance of the corporation's CEO.

Finance and Audit Committee Charter: The primary purpose of this Committee is to assist the Board of Directors in fulfilling its fiscal oversight responsibilities. It serves as an independent and objective party to monitor the integrity of the Corporation's financial accounting and reporting processes and internal control system.

Nominating and Governance Committee Charter: The Committee assists the Board in developing and overseeing the Corporation's policies and procedures regarding Board composition and recommendations of candidates for nomination to the Board.

Investment Committee Charters: The Board engages two Investment Committees, The Oklahoma Seed Capital Fund Investment Committee and the Accelerate Oklahoma Committee, to consider and approve applications for investment within the requirements of the investment programs.

Resource Development Committee: The primary function of the Resource Development Committee is to assist i2E in attaining sustainability of its programs and services and to diversify its funding sources by formulating strategies for fundraising in the short and long-term, establish clear goals for sustainability of the organization, and achieve diversity in funding sources, as well as, assisting the Board of Directors in identifying and cultivating donors and funding partners on the behalf of i2E.

Code of Ethics and Conflict of Interest: The i2E Code of Ethics and Conflict of Interest Policy outlines principles and standards of honesty and ethical accountability by which all board members and employees agree to adhere to with respect to the company and its associates.

Board Evaluation: The Board completes a board evaluation survey biannually. The results of the evaluation are compiled and presented to the full Board for review and biannual discussion.

i2E, Inc. is a 501(c)(3) private not-for-profit corporation focused on growing innovative small businesses in Oklahoma and making a positive impact on the state's economy. i2E receives state appropriations from the Oklahoma Center for the Advancement of Science and Technology and is an integral part of Oklahoma's Innovation Model.
